

TILT-UP ACHIEVEMENT AWARDS

2017

presented by
The Tilt-Up Concrete Association

Gary Fischer
Woodland Tilt Up Inc.
2 Park Lane S Ste 100
Jupiter, FL 33458
United States

CONGRATULATIONS!

It is my pleasure to inform you that your project, Dual Brand Hilton - Dolphin Mall, will be awarded a Tilt-Up Achievement Award from the Tilt-Up Concrete Association. Congratulations on this outstanding achievement! Please share this great news with the rest of your project team.

Winners of this award represent some of the best projects the industry has to offer. As part of this group, your project will be published in **TILT-UP TODAY** and will be included in the formal press release that goes out to the media for publication.

Additionally, you will be presented with a plaque commemorating this achievement at the Tilt-Up Awards Gala during the 2017 TCA Convention in Miami, Florida on September 29. Your project may also be a winner of the prestigious Excellence in Achievement designation. Those achievement award winning projects reaching the Excellence in Achievement category will be announced during the Awards Gala. Please plan on attending! Registration information can be found at www.tilt-up.org/events.

Please confirm the project information to the right that will be used on your plaque. One complimentary plaque will be presented to the submitting company. If you would like to order additional plaques, they are available to TCA members at a cost of \$185 each. Order additional plaques using the form included with your notification e-mail.

Congratulations again, and thank you for participating in the 27th Annual Tilt-Up Achievement Awards.

Mitch Bloomquist, Executive Director, Tilt-Up Concrete Association

About the Tilt-Up Achievement Awards Program

The TCA Tilt-Up Achievement Awards program was established to honor projects that use site-cast tilt-up concrete to introduce new building types, advance industry technology and provide unique solutions to building programs. The winning entries illustrate the variety, beauty, and flexibility of the Tilt-Up construction concept.

PROJECT INFORMATION

Dual Brand Hilton - Dolphin Mall
Sweetwater, FL
United States

PROJECT TEAM

GC: TutorPerini Corporation - Florida Division

Concrete Sub: Woodland Tilt-Up Inc. (TCA)

Architect: VOA

Engineer: TRC World Wide Engineering

In addition to furthering the awareness of the awesome potential of tilt-up concrete construction, this awards program serves to promote and recognize members of the Tilt-Up Concrete Association.

Only TCA Members will be named in promotion efforts for these projects. Members are identified above with (TCA) listed after their company name.

Please encourage your entire team to join the TCA to take advantage of the exposure gained through this program.
